“ Dear Ted, Patti and Family,  
No words can express our sadness and disbelief about Alice. We are so sorry for your loss. Although we are not in the same state, we have known each other for over 37 years, since Phillips Petroleum, Bartlesville Ok. you know, 'The good old days'. Almost every weekend we would get together at the Waldbart's house, because they had kids and we played cards, watched movies, BBQ burgers and hotdogs and drank beer. Often, the Wurtz and Rich's would come and join us. Bedtime was always crazy and a major task because John and Patti would be running around the house naked, playing and laughing (as normal kids) and Ted would be yelling at Alice, 'get those kids diapers on now and put them to bed' Alice would yell back, 'Ted, there just kids, don't worry about it, I'm doing my best'. Ted wanted to get back to playing cards and drinking beer. We miss those days. We think of you often and kept in touch throughout the years with phone calls, Christmas Cards, Birthday wishes and now Facebook and Messenger. Our thoughts and prayers are with you and your family during this difficult time. Now, you have two guardian angels watching over you and your family, John and Alice. God bless you and your family. Our deepest sympathies, Marylou and Mike Grilz

“ Dear Ted, Patti and family,  
Our hearts are breaking for you, just know that we loved Alice so very much. This is Margaret from Colby, Ks and in March of 2016 my family and I were coming back from seeing our son in Tampa. We spent the night in the Atlanta area, we got in late but Alice still came out to see us and we got a real life hug after 12 years of being online Navy mom friends. She said Ted thought she was crazy for going out late to meet some strangers at a hotel but she said they're not strangers, they are family. All of us Navy moms loved her so very much and we wish we could be there with you. Some of us were lucky to spend part of a weekend with her back in Oct. 2017. It took years of saying we were going to get together and it finally happened. We're so thankful that we did that special time together and we'll cherish those memories close to our heart.  
Feel free to contact any of us Navy moms, we're here for you.  
Love, Margaret Karlin

“ Before we even knew each other really well Alice heard about my back surgery and rushed right over with a special pillow wedge to make it easier for me to sleep. I will always remember her beautiful smile and kind words and her generous, peaceful spirit. We are all going to miss her so very much.  
With many loving thoughts and prayers,
