

Beth Ann Pittard

July 31, 1965 - May 15, 2019

Family and friends are invited to attend a memorial service on Wednesday, May 22 at 1 PM at Due West United Methodist Church, South Campus, Building C, at 3956 Due West Rd. NW, Marietta, Ga 30064 for Beth Pittard who died tragically on Wednesday, May 15 at the age of 53.

Beth was born and raised in Dundalk, Maryland and moved to Alpharetta, Georgia after high school. At an early age Beth's calling in life was to care for people and she accomplished this goal through the field of nursing. Beth attended Kennesaw State University where she received a Bachelor of Science in Nursing. After college, Beth began her career at Scottish Rite Children's Hospital where she loved caring for children.

After marriage, Beth and her husband moved to Savannah for a brief time where she enjoyed working with brain injury rehabilitation patients. Upon moving back to Atlanta, Beth continued her career as a registered nurse until her pride and joy son Aaron was two. At that time, Beth dedicated her life to being a stay at home mother and wife, assisting family and friends with health issues, and volunteering with preschool ministries.

Beth was a loving and devoted mom to Aaron, incredibly dedicated wife to Mark, cherished and adored daughter to Blaine Sr. and Darlene Johnson; and best friend and sister to Blaine Johnson Jr. and his wife Denise Johnson, Julie Carnes and her husband Shane Carnes, Melinda Thomas and husband Randy Thomas. She was also a generous and fun loving aunt to Mac and Sam Carnes and a true friend to all that were fortunate enough to know her.

Beth cherished and enjoyed every moment of raising her son Aaron while being a faithful servant to the Lord. Beth had enduring faith in God and her savior Jesus Christ and spent countless days praying over Aaron and her family. Beth's faith in the Lord will endure forever, Amen.

In lieu of flowers it was Beth's wish to send donations to Wellroot Family Service (originally United Methodist Children's Home) or to St. Jude Children's Hospital.

“ Beth and I spent a lot of time together when the boys were little and in school/sports together. She was always so kind, generous, and encouraging. Her love for the Lord and family was evident. We were in touch more recently when our boys both started college at Auburn. As before, she was a blessing and joy to talk to. She will be greatly missed! We are lifting you up in prayer, Mark and Aaron. May God bring you comfort during these difficult times.
With love and prayers,
Heather Collins
