

Charles Malcolm Duncan

October 16, 1946 - April 29, 2020

Charles “Chuck” Malcolm Duncan, Jr, 73, of Marietta, passed away peacefully on Wednesday, April 29, 2020. He is preceded in death by his loving wife, Carolyn Duncan, parents, Charles Duncan and Dorothy Duncan Dickson, and sister Carol Porter. He is survived by his children: son, Jimmy Duncan and wife, Kristy; daughter, Christen Salamone and husband, Aaron, and three granddaughters, Sydney, Isabella, and Sophia; two sisters, Charlotte Blair and Janice Ford; and many loving nieces, nephews, and extended family. Born in Decatur, Illinois, he grew up in Ocala and Daytona Beach, Florida. He enjoyed playing baseball and the trumpet and helping in his father's theater. He graduated from Mainland High School and Florida State University with a degree in accounting. He continued to support FSU as a proud alumnus and member of the Seminole Boosters. He worked with Arthur Anderson and then spent the majority of his career as the controller for the Omni Coliseum, which was eventually replaced by Philips Arena, in downtown Atlanta. Along with beginning his career in Atlanta, he also met the love of his life, Carolyn, and they were married in 1971. They enjoyed life as a young married couple in Atlanta, whether it was attending numerous events at the Omni (Hawks and Flames games and too many concerts to name), Georgia Tech football games, or simply spending time with close family and friends. To close out the 70s, they began a family and had their first child, Jimmy, and then kicked off the 80s with their second child, Christen. They enjoyed the family life, whether it was going to the circus, hauling Christen to dance class or Jimmy to baseball practice, attending FSU football games, or simply spending time with family and friends. A huge part of Chuck's life was his commitment to Christ and serving as a member of Powers Ferry UMC. He served in numerous roles at church, was heavily involved with the United Methodist Men, enjoyed numerous mission trips, whether going to Belize or chaperoning the youth on a Habitat for Humanity build, spent many nights at MUST Ministries serving those in need, and had an impact on others in ways that we aren't even aware. After retirement, he continued being a servant for Christ, enjoyed traveling and fellowshiping with family and friends, and most importantly, enjoyed being an amazing grandfather to his granddaughters and grand dogs. Due to the COVID-19 pandemic no public service is planned at this time. He will be laid to rest at Kennesaw Memorial Park at a future date. In lieu of flowers, contributions may be made to

“ I have so many great memories of Chuck and his wife Carolyn v They welcomed me and my daughter Kristy. Who married Jimmy into their wonderful loving family and they were the kind of folks you meet and feel like you've known them forever. Their whole family is that way and I will cherish all the family get-togethers we shared and thank God I have tons of beautiful photos of us all. My heart goes out to Chuck and Carolyns family and I will always remember and cherish the memories I shared with them. May you both rest in peace and knew how much I loved y'all

“ Chuck and Carolyn will both be missed. They were a very important part of our Powers Ferry family, and it's hard to comprehend that they are gone. Mary Jackson shared a memory about the chili cook off that I very specifically remember too! But, it's difficult to remember any church event at PFUMC where Chuck was not part of the memory. Family Retreats, Chicken Barbecues, Men's Group events, Sunday School....the list goes on. My heart aches for Chuck's family! So much loss in such a short time. Thankfully there is no question as to where Chuck and Carolyn are right now, and that warms my soul. Their faith was strong and steadfast, My prayers continue for Chuck's family, and I hope that their faith and their own happy memories with carry them through this difficult time.

With love,

“ I was blessed to have worshiped with Chuck at Powers Ferry UMC learning from him what it meant to be a servant leader. Chuck loved God, family and church. My funniest memory of Chuck was at the church chili cook-off. Chuck's chili entry won 1st place. The judges were really impressed with his recipe. At the end Chuck revealed to everyone's surprise that his entry was Hormel Chili from a can!

To his family . . . may the fond memories of Chuck bring you comfort today and in the days ahead.

Love, Mary Jackson

“ Chuck was such a pleasure to be with. His qualities of kindness and an irrepressible wit were ever present. Harold and I were each touch by his ability to share his faith in the quietest but deepest of ways always accompanied by his slow, dear smile. A special man to all who knew him....Harold and Susan Tillman
