“ Kerry, I am so deeply and profoundly sorry for the loss of your mother. She was an amazing lady! She was my mentor, friend and sounding board. She was always there for me and I loved and respected her. May you take comfort in how much people love and respected your mother and also your wonderful memories

“ Dear Kerry and Family:

I am so thankful to have known your Mother for more than 20 years, as a wonderful friend and co-worker. Cheryl was a loving and devoted mother, wife and daughter--a woman with unwavering FAITH, who always had a smile on her face. She was a thoughtful, friendly, loving, kind and gentle spirit, who radiated positivity towards everyone who crossed her path. Her positivity, cheerfulness and humor was contagious!

I can remember always laughing so hard that my ribs would hurt, whenever we got together for lunch.

Although the pain of losing Cheryl is immense, I take comfort in knowing that she will have everlasting peace in our Father's Heavenly Kingdom. Those characteristics that made her so special are alive and living in you, Kerry, her wonderful, amazing and

beautiful daughter. Thank you for sharing your Mother with us. She was so very proud of you and you are truly your Mother's daughter.

Rest in peace, Cheryl, my friend. Thank you for enriching my life, as well as the lives of so many others and for helping to make me a better person. I will never forget you.

Love always, Hilary Carlin
