“ To the Comer Jones Family,

I am sorry for your loss of Comer. I feel the world lost a genuinely kind and funny person. He was always ready for a laugh. Comer and I worked together at Cobb County. We could count on him to help out with the department Christmas parties. We both served in the Navy and share stories. It is sad to know that I will not see him in his red truck running around Marietta. Rest in Peace Comer. And may God bless and strengthen the Comer Family through this difficult time.

“ Dear Joanne, Stuart, Wendy, Whitney and Families

Ginny and I were fortunate to watch the live streaming of the services this morning! What a beautiful tribute to a very special person! Though we have lived miles apart throughout our adult years, it was always so wonderful to share time with you and the family during your visits to New Hampshire. We will all remember Comer for his big smiles and how he always cared about others. He was so easy to be with and always had something nice to say about everyone. I will forever be grateful to him for taking good care of my favorite Cousin and her family!

You are all in our thoughts and prayers! And thanks to Comer, he left us was many wonderful memories!

All our love,
Tom, Ginny, Jennifer and Kristina

“ Comer was a good friend ever since we met while stationed in Washington, DC in the Navy. We kept in touch for 56 years. He and Joanne are Godparents to our first daughter, Terri. I thank God that Comer came into my life and will miss him.

“ Uncle Comer was truly a good man. He served the Lord in so many ways. His love for his family was evident in the way his face lit up when he talked about them. He was the “social director” for many occasions for the family. Even the lunch “get together” and thrifting. I have many fond memories from childhood through present day. I love you and will miss our Thursday afternoon chats.

“ Comer was a good friend and I knew him as a caring individual who as a neighbor in Beechwood Forest was always a force in making our neighborhood a better and more pleasant place to live. I am glad that I got to know him. I wish his family well and send my prayers their way. I will miss seeing him in his red truck when he always waved or rolled down his window to just say "Hey". Godspeed Comer on the wings of angels and G_d bless you to rest in peace.

Fondly,

“ I was shocked and saddened to hear of his passing. I'll always remember Comer as someone who not only "talked the talk" but he "walked the walk." His dedication and devotion to his church and his community was evident, and his smile was infectious. I will never forget the fun we had playing in the handbell choir together at the church, and the multiple occasions our misbehavior tended to drive Steve Jett a little bonkers. While you are gone, you will certainly not be forgotten. I pray for God's everlasting peace, love, and understanding to Joanne, Stuart, Wendy, and the rest of the family during this time.

“ We are so sad at the passing of Comer. I have such fond memories of Comer and his siblings (cousins) in the N Georgia mountains during our summers. We had such fun times. Comer was always willing to teach and help those of us who were younger. It is so sad to lose such a sweet, kind, precious man. He will be missed by all. Rest in peace my friend. God's blessings on Joanne, Stuart, and the family in the days ahead.
