“ We are thinking of and praying for your family, especially today, at this difficult time. I met Darryl's brother Wes in 1982 and have been blessed to know Darryl and this wonderful family for more than 35 years. They all have such a generous spirit and have blessed and encouraged so many of us over the years. Praying that others will be able to minister to you in your time of need, and that your faith will stand firm. I will always remember Darryl's sense of humor and his ability to make me smile. Honored to know him.

“ I still can't believe Darryl is gone. Great friend to me and so many others. He and I could not be in contact for a good length of time and pick right up like we last spoke the day before. I last spoke to Darryl a couple of weeks ago and was planning to call him on the way home last Friday and didn't do it. Darryl you are missed already.

“ So very shocked and sorry to hear of Darryl's passing. My family's thoughts and prayers are with you all. I remember Darryl being one of the people to make the new kid at RHS feel welcomed. He and I had a great time cutting up during the rather hot and lengthy RHS graduation ceremonies out in that old stadium. He may of been the first to introduce me to the University of Georgia when, on senior skip day, he and I went to visit his brother Wesley up there at Creswell Hall. I will truly miss big D, but will always remember him every time I hear GOOOO DAWGS SICK'EM. Be at peace my friend.

“ I am shocked and saddened to hear this. I remember Darryl as one of the first people to make me feel completely welcome at PPC and the Roaring 20's. Through him I met some of my dearest friends. The Lord blessed all those who knew him. Rest well, Darryl.

“ Mr. and Mrs. Jordan, Devinney, and Wes: I was saddened to hear of your loss. Darryl was a prince among men... a true gentleman. He touched our lives. In our memories, he will live forever. I value the happy memories of our friendship. Please know you are in my thoughts and prayers.

“ I am so sadden to hear the news of Darry's passing. I miss the days of us playing baseball in the cul-de-sac in Jade Cove. Darryl and I had a blast back in those days, always finding something fun to do outside. I don't see him as much but do seem to always find him once a year at a UGA game. There's one more DGD in heaven. - Jeff Duren

“ Dear Mr and Mrs Jordan, Devinney and Wes - I am so sorry to hear of the loss of Darryl. He was a great friend and I will cherish all of the many memories...growing up together and beyond. Trips to NYC, Indiana, dinner and parties at his home, staying with him when he opened his home to me while visiting and doing a show in Roswell, going out for chicken wings or hanging out at Dunkin' Donuts - hanging out with Sherman, Michael, and Jay,

going as a group to prom, the football games, the chorus concerts, visiting him at UGA and going to a football game..the memories keep flooding my mind. Those years at RHS wouldn't have been as important or memorable without Darryl and his friendship. He really was my best friend and my heart is so heavy for you and your entire family. I send my love to each of you and am holding you up in prayer that God grants some peace to you during these very difficult days. Sending love and the deepest of condolences and respect to each of you, Don
