“ Del Hickey was my good friend since our school days at West High in Columbus. We were part of a leaderless group of seven buddies who shared many reckless adventures, and were held together by the fun of laughing at the same things (usually each other) and the certainty of counting on each other when help was needed. Del and I "stood up for each other" at each others' weddings, and the marriages stuck. Thanks, buddy. Over the years we stayed in touch...mainly through Del's phone calls when we talked about family, friends, sports, the economy, politics, health, the meaning of life, and other things he knew and cared about. To Sharyon, Kimmie, Lori, Barbara, Karen, Scott, and all of Del's family I want to say how sorry I feel, and how much I, too, will miss Del. Fortunately, we have the gift of being able to see and talk with him in our imagination as we were in our best days. I am grateful to have been able to know Del, and to call him my friend and brother in deed. -John Edwards

“ I will miss my Dad with all my heart. He was a wonderful provider, husband, and father. I will miss his stories. I know he is now on his greatest adventure. I appreciate everyone's love and support. - Barbara

“ My father was the most wonderful person, I was honored to be his daughter. My dad, mom and I were the 3 musketeers. There has never been a more insightful and intelligent and articulate person in my piece of this grand universe, than my daddy.

“ To Sharyon and Family, we send our sincere sympathies in Del's passing. Although Del was a quiet person, he was a member of a special group of clever, bright and witty guys in our June, 1961 graduating class at Columbus West High School--a group that remains connected today and will mourn the loss of a trusted, successful and well-respected friend.

Regrettably you just barely missed celebrating your 50th Wedding Anniversary, surely a treasured milestone with many years of memories. Del will no doubt be honored in Heaven and will be favorably representing you for your contributions to a long and devoted marriage. We hope you are blessed for keeping a vigil during Del's lengthy illness and that your family and friends and our Lord will comfort and console you as you imagine his stepping into a place of perfection.
