“ Glad Goldman lit a candle in memory of Donald Lee Patterson

“ Barbara, Brenda and family... I am just now finding out about "dad". I remember all the absolutely beautiful and fun-filled memories we shared with both of your parents on Charter Oak! But the one thing that will forever remain in my mind and heart is when EVERY summer your dad would make homemade strawberry ice cream and fill up those paper solo cups, cover the tops to protect his magnificent creation, and fill your freezer with this yumminess from top to bottom, leaving little room for anything else! Ohhhh!! How I truly loved your dad! He was up there on the very same pedestal with MY dad! Words to describe him: loving, nurturing, committed, honest, amazing, "one of a kind", gentle, friendly, outgoing, oh my.... I can keep going on!!

I am truly saddened by your dads passing and if I had known I would have come in your time of need!! I loved him. I love you!! Lesley (Self) Hicks
