“ Donna was such a special and dear friend to me. She had such a quiet gentle spirit. She loved the Lord with all her heart and shared her faith unwaveringly. I will miss her so much but know I will see her again one day. I am so thankful she is no longer suffering or in pain but is completely healed. She is now with her Lord and Savior most of all; and with her parents who she loved dearly. Donna will definitely be missed. I am so thankful for Donna and the friendship we shared.

“ Aunt Sylvia, Debbie, Kathy, and family,
Thank you for always being there when Donna needed you most! I have known Donna for almost 20 years as we worked together on many projects at Holder. Donna was a quiet force. She was always so professional and her work ethic was surpassed by none. Donna was kind, and it was always funny when she would let go and crack a joke or two. She produced quality work and an asset to the many teams she worked with. Donna was kind. I will always cherish the last visit I had with her. She told me that she was not "special" and God had a plan for her. Donna witnessed to me her love for God and the faith that kept her so strong through the pain and suffering she endured. It was her intention to witness God's love to all that she could. And, I will be forever grateful for the words she shared with me that day. God's will be done and I know Donna has been reunited with her Mother and Father that she was so devoted to. No more pain, but eternal life. Rest In Peace, my friend
