“ Hugh: I was always amazed at how Dorothy could get to the heart of whatever matter came before her and make sense of whatever the problem or act was. She definitely had a gift for being a great judge and I am glad that I got to work for her and know her as a friend. God Bless you. Joanna Shurtz

“ I know she will be greatly missed by all her family and friends. I have thought of through out the years and had great respect for Judge Robinson and learned a lot from her. Pray God's peace upon the family!

“ Judge Robinson was one of the most respected Judges in Cobb County. I was a Courtroom Clerk for her back in the 1970s, and she always treated me with dignity and respect, as she did all before her.

May all her family and friends find peace in the fact that they knew her.
