

## Gisele Prophete Joseph

March 17, 1928 - May 21, 2013

Gisele Prophete Joseph was born on March 17, 1928, in Port-Au-Prince Haiti. She entered into eternal rest and peace on May 21, 2013.

She was a woman who knew the Lord, accepted Christ, and believed with all her heart of his resurrection.

She enjoyed serving Jesus Christ and was an active and participating member of Evangelique Mont des Oliveiers church located in Dallas, Georgia.

Our mother could not carry on a conversation without bringing Jesus into the midst, looking for any opportunity to tell others that he was in control and directed her life. She is survived by her 4 children: Edwin, Gilene, Feder and Antz and 4 Grand children: Travis, Kevin, Deeanna and Christina.

She loved life and was devoted to "FAMILY". One of her constant mandate for her children was making sure that family stayed close, both emotionally and spiritually. She proved that by always letting us know that she was always praying for everyone. She spent almost half her life in Haiti and the other half in the United States coming over with her 4 children in 1965. She worked hard and made sure all her children were safe, fed, educated and successful.

Those looking in, may not have been able to tell that she was a woman of great strength, determination, courage and dignity, facing life challenges head on and without hesitation to ensure her families survival. Those who knew her had no doubt. She will be remembered always for her ability to stand with God, her courage to stand alone when it was only her and God, and her loving heart to serve all in her presence.

Remembering her with loving memories are her Children Edwin, Gilene, Feder and Antz and Grand Children: Travis, Kevin, Deeanna and Christina. Her Sisters: Raymonde, Renee, Anne-Marie, Solange, brother Etienne and a host of cousins, nephew ,nieces,

friends, and church family.
