“ I'm so saddened to hear of Jim's passing. I feel fortunate to have been neighbors with the Denee's. Our families had lots of good times together. Neighborhood baseball games. Football games , even jart's... Lawn darts... I think it was Jim that found my sister in laws diamond engagement ring when Dan was going to propose and he dropped it in the lawn... Size 4. Lol I didn't think it would ever be found... I'm truly sorry for your loss. I really am. I'll always remember Jim fondly ... Maryanne Delaney.

“ Judy, I was so sad to read about Jim. He was one of the good ones, but I don't have to tell you that. I'm glad I was able to see you and Jim at Terry's store a few years ago, it was a lovely surprise. You and you family are in my thoughts and have my deepest sympathies.

“ Greatly sorry to hear of Jim's passing. Worked with Jim for a number of years and he was always fair and straightforward. We had some really great discussions at at sales meetings and company functions. Either he picked me up at airport or I picked him up at the airport. Always enjoyed his wit and humor. He had some really great stories. May he rest in peace. God bless him. Bill Roeder

“ I just heard the news about Jim.
God bless the family and friends and may God help them though the journey. Jim was is few years older than me and was good friends with my brother Dick. As I was growing up, Jim always treated me as family and friend; whether we were in Vermont and him and my brother were throwing my mattress outdoors in the woods all of us laughing or he and his band playing at Renee's and my wedding. He always had a great smile and a memorable laugh. Again, may God Bless.

“ I've known Jim and Judy for about 25 years. When I first meet Jim at church in Texas , he said "you need to meet my wife Judy, I can see you guys would be friends". And he was right! We've been friends ever since. I loved to hear him sing... he had such a soothing voice. He was someone you could depend on if you needed help... he helped us wire a whole house once. I loved his quirky jokes at times... Jim, we are so sad to have you gone. It doesn't seem real right now. You will be greatly missed. I promise to be there for Judy and the family. Prayers for the family. Jim you are loved by many.
