“ Marie, I am so sorry to hear of Ed's passing. I worked for Ed many years, first at First Peoples then followed him to Southern National. Of all the bosses I have had, he was the best! I thought of him as a friend as well as a boss. Even after moving away, my thoughts have been with you and Ed many times. My prayers are with you and te family.

“ I had the honor of working with Ed at one of Marietta's banks years ago. Ed was one of the smartest bankers I've ever known and was loved and respected by all. A very humorous fellow and so likeable. He truly was "Prince" of a guy! My deepest sympathy to Marie and the boys as well as all of Ed's family.

“ Ed was a prince of a gentleman who always wore the very same smile which greeted friends and those he had never met before. I met Ed in the late 1960’s while working at Commercial Bank of Cobb County. He was a consummate banker and true friend. His presence on this earth will be solely missed. My deepest sympathy to his family with his passing.
