“ "Aunt" Jean was a wonderful person. She was smart, funny, insightful, generous and always had a way of making others feel loved and appreciated. She was also tough as nails and you always knew where you stood with her! She and my Dad were like brother and sister rather than first cousins. Jean frequently told funny stories about their childhood and the trouble she and Dad got into. For me, she was more like a second mother, and was a great comfort to me when my own parents passed away. I know how much her family meant to her, and how hard her passing must be for you all. For her, death was a homecoming and a joyous reunion with her Everett and those she loved. I know we will all see her again one day.

“ My heart is broken. Jean has been a good friend since the first week I had the pleasure of meeting her. I work at the senior living home where she lived and can say she was a favorite of many residents and employees. She had a loving, caring, gentle spirit that put me at ease every time I got to spend time with her. She was like family to me and I will miss her terribly! I'm quite certain that I will never forget her laugh! My thoughts and prayers are with her family, whom I've also grown to love! Thank you for sharing Miss Jean with us for the past few years! It's been an honor to get to "work" with her.

“ I am so sad to hear of Jean's passing. She was my mother's friend and my favorite lady at Legacy Ridge. I always loved to see her and spend a bit of time visiting when that was still a thing we could do. She will be greatly missed.
