“ Jeremy was in my family, so we shared a past full of family fun and sharing. He was shy, but always ready to talk. His sensitivity was so special and he warmed my heart with his shared memories of our family. Jeremy was gifted and brilliant in so many ways. I will miss his shy smiles and sense of humor. Jeremy "this world was never meant for one as beautiful as you..."

“ I am truly saddened to hear of the loss of Jeremy, my friend and piano teacher. As another friend mentioned, Jeremy's breadth of knowledge was awe-inspiring, as was his musical talent. I would sit, slack-jawed, watching and listening as Jeremy improvised beautiful melodies on my piano, then I'd humbly follow, wondering whether it was, in fact, the same instrument that I'd just heard.

Jeremy was a gifted storyteller. He would often apologize for having started a particular story, but I was never sorry that he did. His stories, told with self-deprecating humor and sensitivity, spoke of Jeremy's humility and concern for others.

I was looking forward to hearing Jeremy's recorded music in the months ahead, and I am sorry that we will not get that opportunity.

In short, I will miss Jeremy. I wish his gentle spirit peace. My condolences to his family and loved ones.

With love,

“ My dearest Jeremy,  
I am a confirmed believer and hope this is not good-bye, but hasta luego. No alternative thought would make continuing in this life, for me, tolerable.  
Much love always,  
Mom

“ Patricia - We at New Hope are heart-broken with Jeremy's passing and are praying for you and your family to have strength and peace at this most difficult time. Jeremy was a wealth of knowledge to us and always had an interesting story to tie into whatever we were discussing at any given moment. His musical talents were unparalleled. Jeremy often spoke with me about how his experience at New Hope had brought him closer to Christ, brought him healing and regained hope. We are confident, too, that we will also see Jeremy in eternal glory with our Lord and Savior -- Jeremy just got their first! Our love and blessings, always. “ Dearest Patricia, I am your husband George's cousin Dianna from El Paso, Tx. I am so very saddened to hear about Jeremy. He was my only link to that part of our family and was so kind to correspond with me often a few years ago. I could tell from our brief encounters what a beautiful, gentle, and kind person he was. I will keep you and your family in my prayers. Please feel free to contact me at [dianna.williams.hefley@gmail.com](mailto:dianna.williams.hefley@gmail.com).

“ Just found out about Jeremy today. I am so sorry. I loved talking to him and sharing stories. I last saw him in 2010 in Holly Springs. I would stop by and talk to him while he was teaching up there. When I left the police dept., we lost track of each other. You are in my prayers.

“ I would see Jeremy every year at least once (my Birthday) when he would come over to my house. Gonna be really empty this year without him. Awesome guy and great musician. I loved how he was so well read and would always talk about history and things with me often educating me on things I had no clue about. I know his love of Rachmaninoff and Scriabin was another thing we had in common. I will truly miss this man. God Bless.
