“ *I'm really grateful for being able to visit with my Uncle John not very long ago. During our visit, he shared his love for music with me. He pulled out a part of his collection of old vinyls and to hear him talk about the awesome concerts he went to back in the day really showed me a part of my uncle I didn't know. Thank you Uncle John for sharing your memories with me. My uncle was a wonderful man, a great husband to my aunt Stella, loving father to his children and can't forget about his love for Frankie! Aunt Stella and family.. I love you all. Rest in paradise Uncle John.*

“ John, was one of the kindest people I have ever met. He was an absolute joy to be around, and a splendid father-in-law and friend. John and I shared many laughs (mostly at my expense 😂) and traveled together too. I will miss John's infectious smile and laugh and his caring nature. You were and are very loved and will be missed greatly. Geoff

John was more of a brother in law to me. He was like a brother. He helped me when i truly needed it. I always told him i love him and he replied the same. He took a part of my heart. with him when he gained his wings. I am blessed that i got to see him one last time before his illness took him. Love forever MY JOHN.

I was extremely lucky to spend a lot of my childhood with the Duncanson family. Julia and I became best friends in 5th grade and have remained friends to this day. During these years I got to know Mr. Duncanson very well. He took us out on pizza nights, movies, and cracked jokes during our sleepovers. He was a joy to be around and kept us smiling and laughing. He was a great father. He beamed with pride for his kids and loved Stella in every way. He will be greatly missed.

Sending you guys love & prayers  
Love, Rachel

A great man. I had a lot of fun with him and he taught me tons about life, company and integrity. He changed my life in so many ways and his passing is very sad. He is missed and loved in our house.

*John and Stella were our wonderful friends, and neighbors. John always had a smile, and a twinkle in his eye that lit up the room. He loved Stella with all of his heart, and often brought out the painting of the two of them together to show how beautiful she was. He dearly loved his children, and was so proud of them. His little dog, Frankie, ran the house. John did everything Frankie wanted. What a pair. We miss John. He was a good man.*

*Uncle John was the kindest, loving and most biggest inspiration to continue our education. His forever welcoming warm heart and loving smile was my favorite Uncle John! I will always cherish our last visit.. we laughed, hugged, cared for him, cooked brownies and listened to his favorite music. We captured a special moment, while Jake and Uncle John shared a toast and that's the way I will always remember him as happy, loved and full of life. His love for Aunt Stella, his children and Frankie was grand and filled the home with nothing but love.*

*We love you Uncle John and will miss you dearly!!
