

Julie Lawson

April 11, 1980 - August 4, 2018

On Saturday, August 4, 2018, Julie Lawson left this earth to join the Lord. Although Julie was only on this earth for 38 years, she left an impact that far out-weighs her time here. As a mother, Julie set the bar and elevated what it meant to love unconditionally. She cared for her son as if she knew her time here was limited and saturated his heart with her love and his soul with her essence. As a wife, Julie was a true life partner and always prioritized exploring life and making memories with her husband, and again as if she knew her time here was limited, she made some of the greatest memories with him towards the end of her life. In addition to her role as a mother and wife, Julie was also an amazing daughter, daughter-in-law, sister-in-law, aunt, cousin, and friend. She enriched the lives of everyone she was around and helped make memories that will be carried on for generations.

Beyond her commitment to her family, Julie was also committed to her profession as an elementary school teacher. Unlike many, teaching was not just a job for Julie; it was a true part of her identity. Her compassion and generosity in the classroom was unparalleled. For those that were fortunate enough to be a student in Julie's class, you never went without and always received the specialized attention you needed. Julie's legacy will be carried on for lifetimes as a result of the impact she made to hundreds of children.

In her passing, Julie leaves behind her husband and son, Josh Lawson and Owen Lawson, her father, Greg Quick, her father and mother-in-law, Jim Lawson and Peggie Lawson, her brother and sister-in-law, Craig Lawson and Noel Lawson, her nephew and nieces, Brady Lawson, Molly Lawson, Haley Lawson, and Emma Haney, and her cousin, Andy Meadows.

Julie was a true light in this world and she will be dearly missed by all that were fortunate enough to know her. Thankfully, she is now in heaven watching over all of us, and for that, our lives will be enriched even more.

In line with Julie's passion, and in lieu of flowers, a memorial fund has been established at Julie's school that will be used to continue to benefit the children she cared for so dearly. If

you would like to contribute to the memorial fund, donations can be sent to:

“ Oh Jewels...I can't believe it's been a year since I've heard your voice...seen that smile or heard your laugh. It's been hard....so very hard. I still miss you more than peanut butter cups but I feel your presence every day. Thank you for staying close my bestie.... I will always need you.

It's been a long day without you, my friend
And I'll tell you all about it when I see you again

Love you Big Much.....
Sandy

“ Mrs. Lawson taught my son Caleb in first grade several years ago. She was an amazing teacher and had a huge impact on him. He was upset and scared when we went to open house and he didn't know a single student on his class list. Mrs. Lawson took time to welcome and comfort him, and by the time we left, he was excited about first grade and his awesome teacher. She loved teaching and it showed in everything she did in the classroom and with her students! Caleb loved being in her class. She set the bar high for his future teachers! We moved to another district after our year with Mrs. Lawson. She knew some of the staff at our new school and helped put our mind at ease about moving there. Even the last day of school, when my child was in tears at leaving Mrs. Lawson, she made him laugh and took silly pictures with him. I can not say enough good things about her. We were incredibly blessed that Caleb was in her class. We are heartbroken to hear of her passing and are praying for all of her family!

“ If angels are here on earth she was one of them! She was an amazing person who made this world a better place. Always smiling and friendly to everyone who entered her room. She played such a huge role in my son's life and it showed how much she loved her students. Payton visited her room as often as he could. He was so worried when she wasn't at open house this year and looked for her car each morning. He was so upset which broke my heart but that just shows how awesome and important Mrs. Lawson was. She is missed so much and will live on in each person's heart that knew her. What a blessing it was to cross paths with such an amazing women. Rest easy Mrs. Lawson!

“ Love to Josh, Owen, Peggy, Jim, Craig---and all of the family and close friends. I do not know what to say. My husband died at age 46. I was 43 with five kids when he died. I prayed for strength each day. Some days were good. I relied upon the Lord, trusting the day and the future. My children are grown now. I was given five Grands. My life has been filled with rewards. The greatest of these was a nursing career. I met Peggy at NH. I treasure my friendships, and work experiences at NH. May God bless each of you.

“ Mrs. Lawson was my son's (Logan) 1st grade teacher last year. We all adored Mrs. Lawson. She was such a joy to be around and had such a positive impact on my son. He always looked forward to school last year, and I thanked her many times for this. She was so fun, full of energy, and he loved all the crafts that she did with the class. He learned so much in 1st grade last year. I am thankful that he was blessed with such a wonderful teacher, and we have many great memories of her. My youngest son's name is Owen, and one of the first things that she told me when I met her was that she also had an Owen. You could tell what a great mother that she was, and she loved to talk about him. My thoughts and prayers go out of to the family. We will miss her so much.

“ Mrs. Lawson taught my daughter, Olivia, in 1st grade. Mrs. Lawson was her favorite. She loved her so much. Mrs. Lawson was so positive no matter what the situation was. She always encouraged Olivia and pushed Olivia to be her very best. I will never forget her and the impact she had on my daughter. We are comforted in the fact that she loved the Lord and that we will see her again one day in heaven. Rest high sweet lady. We will miss your beautiful light! :)

“ Mrs. Lawson was my daughter's first grade teacher last year. She was a phenomenal teacher- kind, compassionate, and inspiring. Bianca and I love her so much and consider ourselves fortunate beyond measure for having known such a lovely human being. The world was a far better place for having her in it.
