

Karl Douglas Baden

February 23, 1960 - August 27, 2015

Karl ("Karl, with a K") Baden passed away on August 27, 2015 after a brief illness from an accident. He is survived by his loving family, wife Cathy, sons Allen and Ryan, parents Pillar Baden and Mark Baden, Sr. (Peggy), Brothers Mark, Jr., David (Sandy), Ralph (Dara) and Sister Melinda, numerous nieces, nephews, close friends and business associates.

Karl had many interests that included golf and cooking, and his favorite activity was spending time with the people in his life. His boisterous personality and generous nature lit up a room or venue as he entered and his stamina for fun was well known – as evidenced by his 31 years of attendance at the Annual Schaefer Classic golf tournament.

Services will be held Saturday September 5, 2015 at 4 pm at Mayes Ward-Dobbins Funeral Home, Historic Marietta Chapel, 180 Church Street, N.E., Marietta.

In lieu of flowers, please consider donating to the Timothy McGill Memorial Fund, 210 Grand Street, Winona, MN, 55987. This foundation was established by Karl and Tim's sister, Joan, to honor Tim's memory and dedication to the sport and the YMCA organization. This foundation provides donations to the YMCA to help kids by paying for basketball camp for those who would otherwise not be able to attend and purchase equipment for all to use.

We will miss him tremendously – he was taken from us far too early.

“ We have good memories of Karl coaching our grandsons (Josh and Chris) soccer team! He had a special way of making every player feel special! And the parents loved him for the way he encouraged the team - he had a caring way about him! We loved him,

“ To Kathy and the kids, I'm so sorry for your loss. Karl was a great friend and words cannot describe how much he will be missed. I've known Karl for over 25 years. I could fill pages of all the good time we had, and the stories to go along with them. He was our utility guy in golf and always kept the fire going at the Schaefer. One outstanding memory of Karl was one time I stop by to see him in the middle of the day and he was digging his septic out by hand. He ask "would you like to help?" I said sure. Knee deep in shit he looked at me and said "you know a good friend when your stand is this and have fun". I don't recall the fun part but I know Karl would help me anytime even if it meant getting a little dirty. I'll miss him and I know that he's up there smiling down with that grin on his face.

“ I met Karl after the death of my girl friend's brother, Tim McGill. Karl and his son Ryan came to Tim's house numerous times to help us out with arrangements and closing the house down. They even prepared their famous ribs for us one evening. Karl was so helpful at that hard time for us. It only took a few minutes after meeting Karl to realize you had met someone you could call a friend for life. He did what he said he would do. My deepest sympathy to his family.

“ We have fond memories back when Karl coached Josh and Chrises' soccer team when they were little guys! He was loved by the whole team, and even more so by the parents because of the way he cared for each player! I'm sitting on our deck looking at some of the landscaping that Karl helped us with 30 some years ago! We loved him! Don & Diane Biggie

“ Cathy, I am so sorry to hear of Karl's passing. I was shocked; he was always so full of life. His humor always lit up the room and made us laugh. I will always remember the 4th of July festivities he would hold every year, before he moved to Georgia. I know he will be missed by everyone. My prayers to you and the boys.
