“ Please accept my deepest sympathy for the passing of your loved one. While you are grieving your loss; I hope you will find some comfort in Jesus' promise to raise up those who are now sleeping in death(John 11:11)restoring them back to life, with the hope of eternal life, on the renewed Paradise earth.-John 5:28,29; Luke 23:43. Until that blessed promise is fulfilled, may Jehovah God grant you peace and comfort, now; during this time of sorrow.-Matthew 5:4.

“ We were saddened to hear the news about Aunt Catty. She loved her family and friends dearly. Conversations whether on the phone or in person always revealed her love and concern for others. We pray that all the memories made with her will comfort all of the family.

Sincerely,

“ Dear Jerry, Edla and all the Davis family,

Although she was only "related" to me through Jerry, she was so much a part of the De Oliveira family. Our holiday gatherings will never be the same without her there. I loved her and always looked forward to hearing her kind and often funny words. A great woman. She will be missed.

“ Dear Davis Family,

Aunt Catty was a kind a gentle soul. Growing up I always looked forward to visits with her as she was optimistic and encouraging. Aside from that, she was just plain fun! She told me once when I was a teenager that even though some days are hard, we must "get up, suit up, and show up". Just what I needed to hear and I've never forgotten it. As Beth mentioned, Aunt Catty was terribly distraught because she was not well enough to attend my Mother's funeral, but she was there for me in spirit and we talked often during that difficult time. Her words are still fresh in my mind and the thoughts she shared then will be with me always.

Sending you my love and prayers.

“ Dear Jerry, Edla and Family,

From a premature birth Aunt Catty was blessed with tremendous inner strength. I saw it many times. This morning, as I'm coping with being unable to attend this celebration of her life, I am reminded of Aunt Catty having been unable to attend services for her sister, Jerry. This sister, closest to her in age, was lost much too soon. Aunt Catty was recovering from major surgery with no thought of travel. She stoically bid Uncle Dave, Mama, and me good-bye from her seat on the sofa, refusing our offers for one of us to stay behind. We grieved for the situation, but she remained resolute and held it together for us all. Such was how she lived; such was how God's glory was reflected in her life. We give thanks for the life lessons she taught.

In His Love,
Beth

“ Kathryn was a saintly woman. In the short time I knew her I was impressed with her character. She was always sweet, positive, and thinking of others--and happy to see you. She was a blessing and will continue to be a blessing in our memories of her. Blessings to the family.
