“ Dear Simone, Kyle, Virginia Rose, and other family members: You are certainly in my thoughts and prayers as you celebrate Kerry's life today. He had such a sweet spirit. You will surely miss his physical presence, but you will rejoice in his freedom from physical struggles. My fondest memory of him was the ride that he gave Beverly and me in his little, convertible sports car. He "zoomed" us all around Marietta. And how can I not mention his awesome piano talent. I always enjoyed his playing for us. Love to all of you.

“ Simone
I just wanted to let you know how much I enjoyed working with Kerry for the 7 years together at Marietta Drapery. I want to thank you for giving your approval when we had dinner together, He will always be missed, but one memory I will always carry is when we talked about Jesus and he gave his life to him.
RIP. Kerry
