

## Leo Perez

August 8, 1949 - December 28, 2014

Leo Perez Sr., 65, Cartersville, passed away at 6:52 p.m., Sunday, Dec. 28, 2014.

> Leo was born August 8, 1949, in Guatemala City, Guatemala and later migrated to New Jersey where the rest of his life began. He retired from Anheuser Busch as a technician and spent his time with his children, grandchildren, birdwatching, and landscaping at home.

>

> Leo lived his life bringing smiles to people's faces with jokes and his animated ways. While laying in his final moments, he joked with his wife and made everyone present laugh. He didn't smile in pictures, but he smiled in life. If asked to say one thing about Leo, his friends and family will say "He'd give you the shirt off his back." Leo helped family, friends, and strangers. Leo took his friends to their Doctor's appointments, shopping and more. Most memorable and most importantly is the love that he had for his children. There wasn't anything he wouldn't do for them. Leo was a loyal, hard working, and compassionate man.

>

> He is survived by his wife, Maria Perez, Cartersville; his daughter, Virginia Perez, Marietta; his son, Leo Perez, Marietta; youngest son, Raul Perez, Elizabeth, NJ; his beloved grandchildren, Leslie, Tony, Alex, Brandon, Nicholas and Melanie and ex-wife, mother of his children, Aida Four, West Palm Beach, Fl.

>

> He is preceded in death by his parents, Virgilio and Virginia Perez.

“ Leo,

I remember all the good memories we have had over the years. I am glad I had the pleasure to have spent those times with you and I will cherish them forever. You were always a great husband to Aida, a wonderful father to your children and a wonderful grandfather. May you rest easy in Heaven and be a guardian angel for everyone of us here. You will be missed and forever cherished by many of whom whose hearts you have touched. Thank you for always being there for all the good times and being supportive during the bad times. We will always love you.

“ Virginia, I am so sorry to hear about your loss. I know how close you were to your father and I am so sorry that you are going through this. You always spoke to highly of him - it was clear that you were "daddy's little girl" and his #1 fan. My prayers are with you during this difficult time. May the memories you share keep him alive always.

With Love,  
JJ

“ Virginia I so feel your pain. Since I was a daddy's girl myself I know the void you are feeling. All I can say is that we are blessed to have known our father as well as we did. You can only hold on to all the awesome memories you have of him and keep them in your mind and carry it in your heart and believe it or not it will get you threw this time. I want you to know that I will keep him close to my heart for I truly loved my uncle. I am so happy to have memories of all the great times we all had as children and all the parties our families enjoyed together. Yes our daddy's could dance and now they get to continue on in heaven with all the love we have for them. Love you tio Leo and happy I got to speak to you on Christmas and tell you how much I loved you. Thank you for always being you.

“ I'm terribly sad that I've lost my King, my Daddy, but so happy to know that with my memories alone, I can write a plethora of books. It's so hard to pick one... But when I think of my Daddy, I think of his amazing smile, although frequently absent in pictures, beneficent nature, love of music and dancing, attention to detail and most importantly, how much he loved us! I loved when he would just look at me and say “my little girl... I see you standing there but I'm still seeing that skinny, little girl with pig tails” as he gestured the height of a 5 year old. We did everything together. If he was working under a car, I was there with him. If he was working on the yard, I was there with him. As a little girl, I couldn't wait for him to get home from work! Poor Daddy, tired from a full days work and we would bug him to take us out. He never said no to us. He always made everything we wanted happen. He had such an amazing energy. How did you do it Daddy? I know you did amazing job with me, but there is no replicating you. You were unique and we were blessed to have shared our lives with you. I'm so lucky! Thank you for being you. I will miss you so much! I'm going to miss our daily calls, how we always looked out for each other. We were inseparable. This is not goodbye Daddy, this is see you later.
