“ Pam -Scott and I are sending comforting thoughts and prayers your way. Your mom was a very special lady. It has been years since I actually visited with your mom, but the childhood memories we had at your house with her, I will never forget. She was always very sweet to me, like my own mother. I'm glad she is resting peacefully now in heaven. Lean on your friends for strength and comfort! We Love you! Tonya

“ Pam, I never had the priviledge of meeting your Mom, but I know she must have been an incredibly strong, independent, kind, and classy lady, because that is the kind of daughter she raised. I am sorry for you and your family's loss.

“ Linda,
I've only known you a short time but in that time you have become one of my dearest friends. You made me feel so welcome when I married Ricky and moved to the country. I don't believe I could have made it without you. I enjoyed all of our talks we've shared. You are indeed a unique woman. I am going to miss you so much but I will never forget you. I love you lady! Love, Mary
