“ Soooo many fun memories at Uncle Lamars... Some of the most fun times were shooting fireworks on New Years.

He had A one of a kind laugh that I will never forget...

I uses to hide his cigs from him when I was little. Lol

“ Lamar was such a compassionate Big brother I was proud of him and yes a he made my day when he came to me on my wedding day and told me how proud of me he was. That made me overwhelmed for my big brother to share his whole heart with me. A quiet man but a heart for God he trusted,believed,and served Jesus! "what A Testimony"! We Love You Lamar & Will See You Again.

“ Oh how we will miss him! Always telling funny stories and making us laugh! Most humble and sweetest man I know! So many memories that come flooding back as we get ready to say goodbye! One of my favorites is when we were little and Greg climbed up on the cabinet turning it over. Every dish we had but one plate just busted all to pieces. Lamar being the oldest decided we had to scoop it all up and put it in the trash outside. Oh we cleaned it up good. Then Mama cooked breakfast and started hunting the plates....lol Needless to say Daddy gave Greg a whipping and Lamar started crying cause he got a whipping then daddy gave him one for crying. I took off outside to hide. So funny! He'd tell that story and laugh because Greg knew there were pecans in the top of that cabinet and that's what he was after. Can't believe we have to say goodbye tomorrow. I don't want to. God help us through this! I love you brother!

“ Uncle Lamar was a free- spirited person who was always fun to be around. Some of the most fun times I had as a kid were shooting fireworks at his house on the 4th of July and New Years. Uncle Lamar was the best big brother to my Dad and I appreciate him stepping in and being a father figure. One specific time I remember Uncle Lamar just beaming with joy was when we handed out free water bottles with Flowing Waters Ministry at the Parade in Villa Rica. It gave him so much joy just to be able to provide for others and minister the gospel of Jesus Christ to them. Lamar will be missed by all, but we can rejoice in knowing that we will one day see him again in a much better place.

“ This may sound crazy but my most treasured memory of my time spent with Lamar was so very simple...we would walk from his house down the road, in the rain, kicking a can all the way to the Tallapoosa River. When we got there, we would spend the day fishing, swimming, and even camping...just laying on the bank at night a watching the stars with my brother was heaven to me...oh, how I treasure those moments!
