“ Connie and I loved Martha! What a dear, sweet, and precious child of God! She was such a great friend and Christian Sister to us. We were so blessed to have known her those few years I was on staff at Eastside. We love you, Bill and Family! Please let me know anything in the world I can do for you! What a dear brother and friend you are to both Connie and Me. We have been and continue to pray for you and your family!

“ Martha was my aunt and definitely one of the kind. She had a great outlook on life that should be shared now a days . She was always positive didn't matter if she was having a bad day, she would smile and go on making you feel like everything was okay. She also had laugh that you could pin point in a crowd, a heart like no other. She will be greatly missed and not a day goes by I don't think of her some way.
