“ I met martha with her wonderful pet muddy at the vet. clinic that i worked at. She was such a sweet lovely lady. It was always so nice to see her. She will be missed and forever remembered. Her family and her dear sister and my friend Neal are in my thoughts and prayers. May God Bless you all. “ I worked with Martha at GWH and came to find out that her sister was Neal Thomason that I had worked with at TCCC. How wonderful that I knew/know and loved them both. I had not talked with Martha in several years but loved her and remember sharing things with her but most especially her talking about her grandboys. She was so proud of them and she was always excited when she was planning a trip to Birmingham to see them. I will pray for peace for the family because I know Martha has received her reward in heaven.

“ My deepest sympathy to the loss of your family member. When the loss of a dear loved one is shortened it is so easy to ponder the question, Why? In times such as these I draw comfort from the following Bible passages: Psalms 34:18,19, Isaiah 25:8, & Rev. 21:3,4.

“ In 1943 there were three cousins born. Martha was first. A month and two days later I came along. A month and two days later our cousin Mike came along. One year later but three days before Martha's birthday her sister Neal come along. That meant that four of us all born within a one year period were often visiting our grandparents at the same time. Actually my sister was born a year and four months before Martha. We grew up together but then in this fast past world of ours we each drifted apart into our own world. The last of our parent's generation passed on just this past September. My condolences to Marths's family. I know Amanda must be really grieving. But for me Martha and Neal was almost always said together. What a strange world for Neal without Martha. I regret that during our grown up years we did not stay as close as we did as children. We will miss you Martha.
