“ To the family of Martha, please except my deepest sympathy. I met Martha through Susan, her loving sister, when we were all working with Eastern Airlines. Martha was such an ambitious woman and loving mother, to her daughter, Kim. Her heart lit up when her grandson Michael was born. The McMurray ladies, will always be known as true southern ladies, lovely, with courage and grace. Martha is now in her heavenly home, reunited with her loved ones that went before.

“ I will miss my friend of 60 years more than anyone will know! We shared a lifetime of memories together and each one I will treasure! Martha was so special in her own way and she loved everyone. She is with her daughter now and I know how happy she is! Much love to my friend Martha and her sister Susan! They have always been apart of my family!
