“ It was a joy moving to Blairsville 6 six years ago and be lucky enough to have Robert and Maudine as neighbors. They quickly became much more than a neighbor but more like part of my own family.

Maudine and I always had so-o-o much fun when we would go bummin' as she would say. Our weekly shopping trips to the thrift stores were always fun and usually more than just a little exciting along the way when we would stop for lunch.

I will miss her very much but need not to be so selfish at this time and know that she is at peace and suffering no longer.

May God grant you peace and comfort at this difficult time.

“ Aunt Maudine was a very kind and sweet lady. When they lived here in Iowa it was always fun to go visit with them and enjoy a dessert later on. She gave my mom some good recipes that mom continues to make today. I remember one time Mom and I went over to pick berries and I hated picking them but Aunt Maudine would always make it not feel like work because she always had a interesting story to tell while we were working. I'm glad we got to see you last year and we will sure miss you.
