

Rebecca Ann Durden Brewer

May 24, 1944 - July 19, 2020

Rebecca Ann Durden Brewer

Born May 24, 1944, in Jackson, Tennessee.

Died July 19, 2020, in Tuckasegee, NC, in the home of her daughter and surrounded by family.

Becky Brewer, a lifelong resident of Marietta, Georgia, passed from this life into the presence of her Lord and Savior, Jesus Christ, Sunday morning. A member of the Marietta High School Class of 1962, and student of Union University, Becky met the love of her life, Larry Hackett Brewer, the summer of 1964 and they married in July of 1965.

Becky retired from the Office of Academic Affairs at Kennesaw State University in 1996, sooner than she would have liked, as her longtime battle with Multiple Sclerosis required that she no longer work. She experienced great sanctification through suffering with Secondary Progressive MS for 30+ years, yet she always had a smile and grateful heart for the peace, power and strength the Holy Spirit faithfully provided, as well as the expertise in MS research and care she received from Dr. William Stuart and the MS Center of Atlanta.

A member of Johnson Ferry Baptist Church in East Cobb, and the Agape Sunday School class, Becky's love for Jesus and others was contagious. Her smile lit up any room and she was sharing the Gospel with others to the very end. She loved her family and friends, as well as scrapbooking, The Varsity and of course, Elvis!

Becky was preceded in death by her parents, Bill and Kathryn Durden, of Marietta, GA. Becky is survived by her loving husband, Larry Hackett Brewer, of Marietta, her daughter, Gay Brewer Brown, of Arlington, VA and her son, Ben Brewer of Marietta, as well as siblings - Hugh and Wendy Durden, of Ponte Vedra, FL, Jane Etheridge, of Columbus, GA, and Mark and Lynne Durden, of Marietta. She is survived by son-in-law, Dale Brown, of Arlington, VA and daughter-in-law, Amy Brewer, of Marietta, as well as thirteen darling grandchildren, ages 8-27, who have been her joy and delight, as well as their precious

shih-tzu pup, Blaze.

Mayes Ward - Dobbins Funeral Home in Marietta is handling arrangements. For further information and photos - www.mayeswarddobbins.com.

A graveside service will be held at Cheatham Hill Cemetery for family only, with a Memorial Service to follow next spring.

In lieu of flowers, contributions to the National Multiple Sclerosis Society at www.nationalmssociety.org, would be greatly appreciated.

“ Becky has been one of the best friends I ever had - one who always gave wise advice and who was willing to pray for any need. She was a dedicated follower of Jesus and showed a love for all people. I know that she is dancing in heaven with those who have gone on before.

Here's a funny story. Becky loved her make up and being sure her hair was always in place. We had the opportunity to share many camp and choir tour experiences with her. My husband has a fond memory of knocking on her door one morning during a camp we attended together to get her help with one of the girls in her group. Becky opened the door sans make up and he has never let her forget it. These are the kind of memories we have always had fun sharing and for which she has been such a good sport. But the greater memories are how she gave so much to the youth during our experiences with her at RSBC. She was a blessing to all who came in contact.

Becky was one of the most down-to-earth, real, kind-hearted women we have ever known.

The Anders family loves the Brewer family and we will be praying for you in the coming days as you grope with the loss of your wife, mama, gran. We are so blessed to have known her for some 30+ years.

“ I was privileged to know Becky growing up just down the street & being close friends with her sister Jane as well as her entire family. Janie & I were the annoyances of Becky's teen years but she was always willing to haul us around in the family Pontiac. Anyone who knew Becky, knew her smile first! May the family find peace in the memories of her and that electric smile. Lauta Power Gangis, Tarpon Springs, FL
