“ Today we celebrate the life of an old, dear friend. If you look in the dictionary under "servant-hearted" I'm sure you'll find Reggie's picture there. Our family can't count the number of times Reggie was there for us. He and Barb supported us in prayer and finances for school and mission trips. He even hired our girls to work in his immaculate shop when they were teenagers! I'm sure he wouldn't want me to go into detail of what all he and Barb gave over the years, that's just the kind of person he was. I'm sure every person he knew has similar stories of Reggie's love, generosity and service. Thanks for a life well lived Reggie. My dear Barb - From our family to yours - please call on us any time. We love you all and want to make ourselves available in any way possible.

Tons of Love,  
Kim, Bob & Family

“ Reggie took great care of my Porsche for more than 15 years. Of course, he was a wonderful mechanic, but I will remember him more because he was a very warm and caring person. He will be greatly missed. Our thoughts and prayers are with his family.
