“ Renae Lynn Khoury was my Mother and I miss her So much. I helped my mom with her physical ailments for over fifteen years. Mom and I were very close. I loved my Mother so much and I was hoping to say goodbye to her at the hospital but it was the Covid-19 and I could not. The morning mom passed was hard on me when I heard the news. I was the pallbearer at her funeral and I know Mom was looking down on me and saying thank you Kellys you've helped me again you have always Helped me my Boy! It has been over a year and I'm feeling better but I still think of my Mom. Mom will always be close to my Heart. I love you. Mama! Your Son, Kellys Khoury.

“ I was so sorry to learn of the passing of my classmate, Renae Braddock Khoury, in May of 2020. One of our former instructors from the Mountainside Hospital School of Nursing lives in Marietta GA and just recently notified our Alumnae Association , and I have notified classmates of Renae's passing. I know that her classmates were asking about her when we had our 50th anniversary last June 2019. My condolences on the loss of your wife, mother and grandmother. Nola Hough Sarama, Class of 1969
