“ In a profound sentence Robin spoke to me at school, my life began to change and helped make me who I am today. He appreciated everyone, and touched many! His smile was infectious and his laughter uplifting. His enthusiasm will be missed! Rest with God, Robin!

“ Robin was such an outgoing and full of life personality, I know Barbara cringed each time he told his famous "Barbara rolling down the hill on the beach" story, but it was always funny and typically Robin. We will miss his laughter and smile. My sincerest condolences to you, Barbara, and the rest of his family whom I had not had the chance to meet. I am so glad Robin and you were able to see his Wheeler HS friends at the reunion last summer and I am glad I got the chance to meet you both.

“ Robin was one of the best-looking guys in our class of 1976! He was the guy with the great smile, great looks, and charming personality. God Bless Robin and his family during this difficult time. His life is now intact and undisturbed with God. I was so happy to see him one last time at our 35th Reunion! Lifting the Boyd family with prayers and Deepest Sympathy.

“ My thoughts and prayers are with the Boyd family. I shared most of my childhood with all of them and not a time goes by when I drive by the once family farm I dont think of them. Now living In Santa Roas Beach, Florida I jog by one of the homes, the home Robin and his family lived in and have visited "The Beach House" to show my 2 boys - where my most memorable childhood memories were spent. Robin always was so kind, caring and although we were much younger he took time out to spend with us. Many years have passed yet my memories are still fresh - I have been blessed to have life long memories and one I will never forget and think of him each time - to many it may be strange yet ,, living on the beach my lips burn and I think of him always - he bought me vitamin E ... And still today I think of him each time I use it... He will never be forgotten - Kym Baldovski Sheffrin
