“ I have known Shirley for over 65 years. She and I were friends for several years when she introduced me to her brother and we became sisters-in-law. Later we became neighbors and were neighbors for 37 years. Our children grew up together. we shared receipes, memories, books, etc. She had a wit about her and a good sense of humor to keep you laughing. She was very skilled in art, sewing and decorating. Even though Shirley had a long illiness, she still maintained her sense of humor and her faith. She loved to read and study scripture, especially prophesy. Until her stroke, she and I would compare books and scripture in prophesy. I will miss Shirley's wit, knowledge, and phone calls.

“ Shirley was our cousin, but seemed more like a big sister, as she actually lived with us for a while after high school. She was always so full of energy and life. She actually took me on some of her dates before Don came along. She kept tabs on her Aunt Katie Lou, my mom, as my brother Mike and I lived far away. It is for this that I am most grateful. She was a really good and faithful friend. In later years, we debated theology by phone, as she was never satisfied until her views were expressed. She leave a big void and will be missed. I am happy for her now, "Precious in the sight of The Lord is the death of his Saints" Ps 116:15.

“ Shirley was truly a beautiful woman with warm blue eyes and an infectious laugh! She possessed an intense love of the LORD and a faith that sustained her through to the end. It was my privilege to know her and to be with Shirley and Donna on her journey. Donna's commitment to her mother through the thick and the thin of it stands as a tribute of the love they shared. Donna, may the Presence and Peace of the LORD and a lifetime of memories bring you comfort and strength in the days ahead.
