“ Just learned of precious Susie’s death as Tom and I were in Tampa last week. Such great memories over the years...particularly “summer camp” with Susie, Frank, and 20+ others in North Georgia. Always fun and loving. We will miss seeing her warm smile in our Sunday School class.

“ I personally did not know Susie, but got a call this morning from a dear friend who is grieving the loss of Susie....Ladelle. She is not feeling well and wanted to reach out to express her love & remembrance of this fine lady. The loss is great for many I am sure. May she rest in peace. We all shared our schooling at the Academy of Richmond County & we are comrade friends. Condolences to the family.

“ There are so many happy memories I have with Susie during our high school years. We would spend time with my family skiing on Lake Summit in North Carolina every summer. She was loved by all and will be missed by many. God bless her family.

“ Ms Susie was my sweet precious neighbor. To know her was to love her. We spent many hours visiting in Ms Martha Duncan’s porch with “the hoodettes” laughing and talking about our lives and families. She was an inspiration. She moved in later but ‘fit right in’ and became the livelihood of the group. It was my honor to be her friend she will be missed by many. I loved Ms Susie She will always hold a special place in my heart. Sherri Land Sallinger. May God Bless her precious family whom I knew through her many stories

“ We were so fortunate to grow up living right next door to Susie & Frank McKinnon on N. St. Mary's Lane. We each had an open door policy and we were always hanging out together. They had 4 boys close in age to me and my 3 siblings, (1 boy and 3 girls.) We had so many great times, water balloon fights, getting bounced off the death trap that was the McKinnon trampoline! Luckily, Dr. Frank was handy for any broken bones.

Susie and Frank practically co-parented us as kids, especially in later years when our parents divorced. Susie was always a source of great comfort to all of us. I will miss her dearly and I'm so grateful that we were all able to fairly recently have lunch together. She hadn't changed a bit. I will always love and adore Ms. Susie. Same goes for Wes, Carter, David & Clay. We love you guys, we'll always be here if you need us.

Much love,

The Williams Family

“ Susie Baggott McKinnon and I were classmates at Richmond Academy, Class of '55. I knew her only casually, but always admired her immensely. We each married doctors who graduated from the Medical College of Georgia, and then moved away from Augusta; She to the Atlanta area and I to St. Simons Island. We each treasured our Christian faith, with her brother Bobby Baggott eventually entering the Ministry. Each of us had four sons; But, I went on to add a daughter to the mix. Thinking back, I'll wager we has something else in common too....missing our families and dear friends in Augusta. That's something to be carried in the heart. "Give her of the fruit of her hands and let her own works praise her in the gates". Well done, thou good and faithful servant. May you Rest In Peace, Dear Susie. Mary Barton Hitt

“ Wes, David, Carter, Clay and all of the family: You are in my thoughts and prayers and I wish I could be there with you for the services. Your mom and I became lifelong friends beginning at age 4. We grew up like sisters and remained close all of her life. As adults, our husbands became great friends and we enjoyed being couples together. I loved her dearly and will miss her until we meet again in heaven. This is a very difficult time for you but you have wonderful memories to cherish in the future. Bless all of you as you go through your loss. Much love to all of you!
