“ I first met Wanda in 1969 when I took a position as a probation officer with the Cobb Juvenile Court. She welcomed me so warmly and nick named me the baby PO because I was only 21 at the time. She was a true southern lady and an excellent clerk of court. She had a wonderful alto voice and sang in the choir at Marietta First Pres for many years. It was an honor to have known her

“ Wanda kept the Juvenile Court on an even keel for many years, managing a challenging variety of judges who could not have done it without her. She saw the court grow tremendously during her time and trained us new folks well. You are a prize, Wanda.. Rest in peace!

“ Remember Wanda Craven from working with her many years ago when she was Clerk of the Juvenile Court. I worked with attorneys in the private sector and we often worked with defense of minors. Wanda was always kind, helpful and jovial, and one who became a friend. I have thought of her with fondness many times over the years as we lost contact once she retired. Condolences to her friends and family.

“ Wanda Craven was my 8th grade school teacher. I also worked with her at Cobb County's Juvenile Detention Center and Cobb County Juvenile Court after graduating from high school. Over the years, we ran into each other occasionally while running errands or eating dinner out somewhere. It was always good to see her again, as she made such an impression on my life growing up. Rest in peace Wanda.

“ Wanda was a real true southern lady. We had been friends for about 15 years and called ourselves Sisters in B.S - Bible Study. She was such a hoot and wit with a twinkle in her eye and a bit on the stubborn side. She loved her cats, Republicans and FPC. When we would drop her off after Bible Study or at the end of our many conversations, we always ended them with "I love you." and we very much did love each other, I miss her more than words can express - she was so very dear to me. Rest in the arms of the Lord, Wanda.
